

DIRECTOR: *Brigid Laffan*

The Global Governance Programme contributes to advancing research and promoting multi-stakeholder dialogues on policies and challenges of: transnational governance and regional integration, global economics, trade, investment and development, and cultural pluralism.

Research

The Global Governance Programme focuses its research on four broad interdisciplinary themes and on the many cross-cutting issues related to globalisation.

- » **European, Transnational & Global Governance**
Director: Brigid Laffan
- » **Global Economics: Trade, Investment and Development**
Directors: Bernard M. Hoekman and Petros C. Mavroidis
- » **Europe in the World**
Director: Ulrich Krotz
- » **Cultural Pluralism**
Director: Anna Triandafyllidou

Key figures

>50	Jean Monnet/Max Weber Fellows
>40	Distinguished Scholars
>200	Publications <i>Working Papers, Policy Papers, Policy Briefs, Ebooks</i>

“The Global Governance Programme is indeed one of the Robert Schuman Centre’s flagship programmes and is central to our mission to act as a bridge between academia and the world of practice.”
Brigid Laffan | *2nd Director*

Timeline

18 JUNE 2010	EC President Barroso launches the Global Governance Programme
2010-2013	Luis Miguel Poiars Maduro is the first Director
OCTOBER 2010	1st Academy Executive Training
SEPTEMBER 2011	Research team starts developing GlobalStat
2012	Directors are appointed for: Global Economics (Bernard M. Hoekman & Petros C. Mavroidis) and Cultural Pluralism (Anna Triandafyllidou)
SEPTEMBER 2013	Brigid Laffan is the new Director
MARCH 2014	New research area is created: Europe in the World (Ulrich Krotz)

Executive Training

The Academy of Global Governance offers a unique executive training model: a perfect combination of academic, research-based knowledge and evidence-based practice, covering a large variety of subject areas. While the teaching staff of the Academy includes leading academics from top universities and research centres, the group of trainees is composed of professionals from EU institutions, international organisations, national administrations, NGOs, private enterprises, and academia. Almost 50% of our trainees are practitioners.

Training Participants

Key figures

>1,100	Trainees
>45	Executive Training Courses <i>8-10 training courses/year with 25 participants selected/training course</i>
6	Tailor-made Executive Trainings <i>Italian Ministry of Foreign Affairs, International Trade Centre and United Nations Conference on Trade and Development among others</i>

Policy Dialogue

The GGP represents an exceptional forum for strategic dialogue between research and policymaking. It convenes leading figures from across academia, international organisations, and civil society to identify medium and long term challenges that the world faces, to contribute robust critical thinking and propose directions to address them.

Main Research Projects

Cultural Base: Social Platform on Cultural Heritage and European Identities

DIRECTOR: Anna Triandafyllidou | EUI
FUNDING: Horizon 2020 Programme, EU
COORDINATOR: University of Barcelona
RESEARCH CONSORTIUM: Central European University, Interarts Foundation for International Cultural Cooperation, University of Glasgow, Université Paris I Pantheon Sorbonne, University of Sussex

RESEARCH FOCUS
Cultural heritage and European identity policy agenda at EU and national level; challenges that need to be addressed in the cultural domain; state of knowledge and existing policy programmes.

METHODOLOGY
Desk research; interactive digital platform; workshops with culture practitioners, artists, local and regional authorities, and private foundations.

Domestic Work Case Study

DIRECTOR: Anna Triandafyllidou | EUI
COORDINATOR: International Centre for Migration Policy Development
FUNDING: 7th Framework Programme, EU

RESEARCH CONSORTIUM: International Centre for Migration Policy Development, Bremen University, Edinburgh University, La Strada International, Lunds University, Durham University, European University Institute, the Geneva Centre for the Democratic Control of Armed Forces, La Strada Czech Republic.

RESEARCH FOCUS
Types/forms of exploitation in the domestic work sector; motivations and factors driving demand; gaps in legislations and policies. Leading to policy briefs and reports.

METHODOLOGY
Case studies in 7 countries (Belgium, Cyprus, France, Greece, Italy, the Netherlands and UK); literature review; case law review; interviews with key stakeholders.

Task Force on Regulatory Systems Coherence

THEME LEADER: Petros C. Mavroidis | Columbia University and EUI
CO-CONVENER: Bernard M. Hoekman | EUI
FUNDING: International Centre for Trade and Sustainable Development
RESEARCH CONSORTIUM: International Centre for Trade and Sustainable Development and World Economic Forum

RESEARCH FOCUS
Problems posed by differences in regulation and regulatory regimes across markets; options for multilateral cooperation on regulation.

On the Political Economy of Measuring State Capacity and Governance: Mapping Transnational Approaches and their Production

DIRECTOR(S): Antonio Savoia | ESID and Gaby Umbach | EUI

FUNDING: Effective States and Inclusive Development Research Centre(ESID), University of Manchester, UK

RESEARCH FOCUS:
To map the political economy of governance and state capacity measures by systematically analysing who rates state capacity and governance where, how, what for, and funded by whom.

METHODOLOGY:
Quantitative research and qualitative analysis.

Global Governance by Indicators

DIRECTORS: Nehal Bhuta & Gaby Umbach | EUI
FUNDING: Global Governance Programme, EUI

RESEARCH FOCUS
Indices and indicators as instruments of global governance; theory, method, use and impact on decision-making. Leading to working papers and an edited volume.

METHODOLOGY
In depth-case studies and comparative analyses of metrics of corruption, fiscal sustainability, governance and stateness; practitioners' involvement.

Globalstat GLOBALSTAT

DIRECTOR: Gaby Umbach | EUI
FUNDING: Global Governance Programme, EUI and Fundação Francisco Manuel dos Santos

RESEARCH FOCUS
Statistical data, indicators on 15 thematic areas; online database development; globalisation, sustainable and human development; 193 UN member states, plus aggregates for several regional groups.

METHODOLOGY
Collection and harmonisation of statistics; database and website design, evolution and set up.

Trade Policy Research Network

DIRECTORS: Joe Francoise | University of Bern & Bernard M. Hoekman | EUI
FUNDING:

RESEARCH CONSORTIUM: Centre for Economic Policy Research-CEPR

RESEARCH FOCUS
Trade policy broadly defined, including the impacts of trade agreements, analysis of non-tariff policies, and trade in services

Regulating Origin of Goods in the Transatlantic Trade and Investment Partnership: A Path towards Harmonisation in the WTO?

DIRECTOR(S): Bernard Hoekman | EUI
FUNDING: Research Council of the European University Institute

RESEARCH FOCUS:
Advance the understanding of the political economy of rules of origin (RoO), a key factor determining the treatment of goods on importation. Specific focus on the transatlantic setting and the WTO, and on the treatment of services inputs in determining origin of products.

METHODOLOGY:
Industry-specific case study papers and analysis.

'The History of EC Foreign Relations, 1957-1992'

DIRECTOR(S): Ulrich Krotz, Kiran Klaus Patel, and Federico Romero

FUNDING: Research Council of the European University Institute

RESEARCH FOCUS: Comprehensive review and analysis of the European Community's external relations during the Cold War with individual countries and world regions and in key policy domains.

METHODOLOGY: Intra-case analysis through historical reconstruction and/or process tracing with explicit cross-case comparisons.

'Divided We Stand: Europe's New Ways of Projecting Power and Influence in 21st Century World Politics'

DIRECTOR(S): Ulrich Krotz and Katerina Wright

FUNDING: Research Council of the European University Institute

RESEARCH FOCUS: Examination of the over 35 military operations and civilian missions launched by the EU under the Common Security and Defence Policy banner.

METHODOLOGY: Quantitative and qualitative indicators to investigate all EU operations and missions to date, as well as a range of 'negative cases.'
