

Corrigendum

The **EU Rule of Law Mission in Kosovo (EULEX KOSOVO)** was erroneously categorized as a military operation, instead of civilian mission, during the process of coding (variable v006, row 6).

New corrected versions (V1.1) of the data files have been uploaded.

The following corrections should be taken into account when using the [Codebook of the EU Global Engagement Database](#):

1) on page 6, the table of descriptive statistics for the variable V006 should be replaced by the following table:

Type of Mission	Frequency	Percent
Civilian	22	68.75
Civilian/Military	1	3.13
Military	9	28.12
Total	32	100.00

2) on page 42 (line 6 “Type”), the fact-sheet on *EU Rule of Law Mission in Kosovo (EULEX KOSOVO)* should be amended as follows:

Type: Civilian

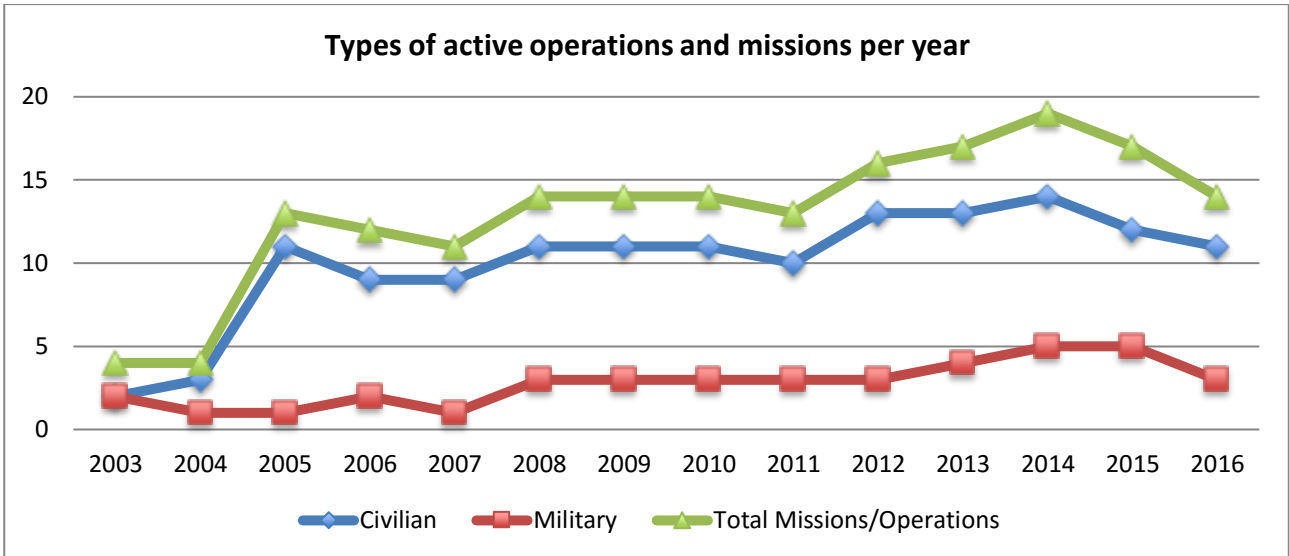

3) on page 55, the fact-sheet on *EU Support to AMIS (Darfur)* should be amended as follows:

Data Sources (Personnel/Troops): Pohl (2014), IISS Military Balance

4) on page 69, the fact-sheet on *EU Military Force RCA (EUFOR RCA)* should be amended as follows:

Data Sources (Personnel/Troops): French Government, EEAS website, IISS Military Balance

5) Figure 4.2 “Types of active operations and missions per year” (page 71) should be replaced by the following figure:

4.2 Types of active operations and missions per year¹

6) Figure 4.3 “Percentages of types of active operations and missions per year” (page 72) should be replaced by the following figure:

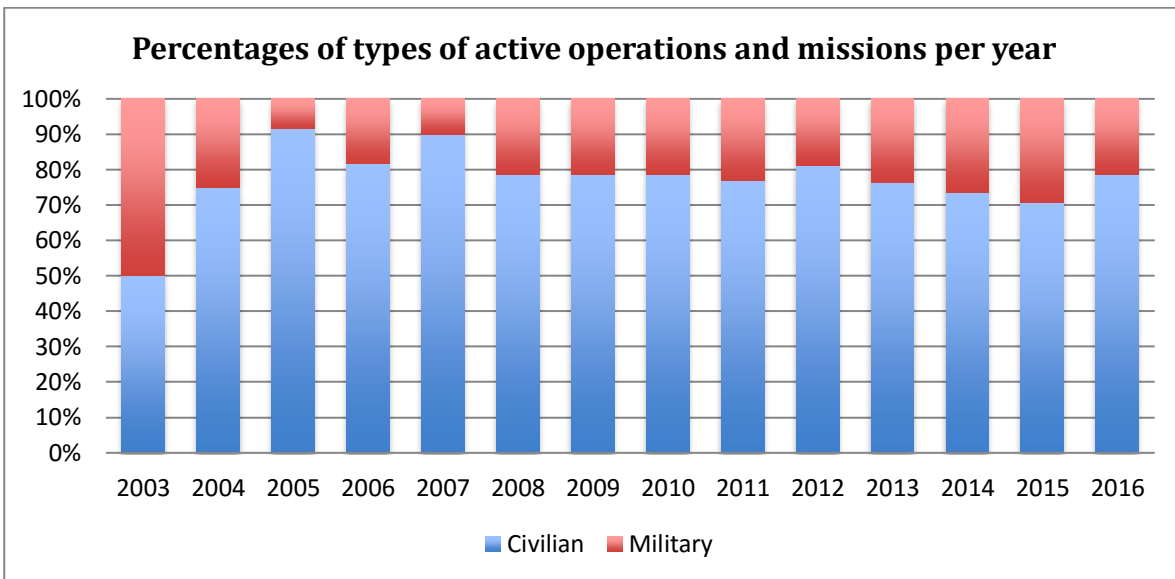

Figure 4.3 Percentages of types of active operations and missions per year²

¹ Mission Support to Amis (Darfur) not included.

² Mission Support to Amis (Darfur) not included.
